Proxima
Steel Forge
Pvt. Ltd.

Late Mr. Harbans Lal Sharma,
(02.02.1920 - 02.12.2002)

Founder
Proxima Steel Forge Pvt. Ltd.

Harmony in quantity and development... Since 1950

Proxima Steel Forge Pvt. Ltd., a Government of India-recognised Export House, is an ISO 9001:2015, ISO 14001:2015, OHSAS 18001:2007 certified company and a prestigious part of H. R. Group of industries. The solid foundation of this Group was laid in 1950 by a futuristic visionary, its Chairman, Mr. Harbans Lal Sharma, an ex-Air Force Officer. The company though had a modest start, is today amongst the best hand tools manufacturing companies in the country. Total dedication to quality has made it possible for the company to achieve such a proud position in the global market. Fulfilling the dreams of its legendary founder, the late Mr. Harbans Lal Sharma, the company is moving ahead with an e-speed under the able leadership of three heirs, Mr. Sudershan Sharma, Mr. Suresh Sharma and Mr. Naresh Sharma, supported by a highly professional team with manufacturing and marketing skills. The team not only has vast technical knowledge but also worldwide experience in customer relationship.

Proxima Steel Forge Pvt. Ltd. has an excellent infrastructure, latest machinery of the era, CAD/CAM system, CAC Tool Room, a modern Research & Development Wing, a well-equipped Testing Laboratory and highly improved Packaging Center. Its main products in different types of finish are Hammers, Axes, Chisels, Bolsters, Wrecking Bars, etc. Which are produced in environment friendly conditions in "Proxima" and customers standards and safety norms. The company is selling these articles worldwide in eye-catching and attractive packaging to the complete satisfaction of its customers. Commitment to excellence in quality and new concepts have earned this company global recognition.

Proxima Steel Forge Pvt. Ltd. will continue with its efforts to maintain this level of excellence to build a harmonious and long lasting business relationship with its international customers.

Sudarshan Sharma
Managing Director

Message from The Managing Director

Proxima Steel Forge Pvt. Ltd., a renowned name in the professional Hand tool market, has been manufacturing high-class Hand tools from day one and will continue with its efforts to maintain this quality level to create a longlasting relationship with its international customers. The entire team associated with this company has one common goal, and that is, Superb Quality & Customer Satisfaction.

Quality, integrity ethics and commitment have been the mottos of our company all these years and have been our guiding philosophy as an organisation. We have indentified and chiselled our core strengths to fulfill newer roles in the changing business environment. Investments in state-of-the-art Technology, Manpower training, Research & development - our endeavours are totally customer-centric as we constantly strive to deliver excellence and efficiency to the best of their satisfaction.

I am highly thankful to all our worthy customers for their continuous and valuable support and I look forward with great interest to new business relationships. Come join us and I am sure you will feel that you have made the right choice.

Rishi Raj Sharma
CEO

Message from The CEO

Our corporate culture cultivates passionate, talented problem-solvers focused on performance with industry-leading teamwork and responsiveness. We work hard to gain a deep understanding of our client's businesses and needs, and our client's challenges are treated with urgency and respect, as we work relentlessly to meet or exceed their expectations.
